Living the story. Telling the story.

Benefice of Ham Hill Villages

Rector

Are you the one?

Will you help us serve God and our communities?

We are a young benefice located in the idyllic villages of South Somerset. Our vision is to become more united, supporting each other in worshipping God and making new disciples.

Are you someone who will...

- provide leadership to achieve our vision;
- encourage and enable people to develop their spiritual lives;
- help us grow our congregations and make our churches welcoming and inspiring places to be;
- help us in our mission to display Christ's love and care in our communities;
- share the Christian story and plant seeds of faith with children and young people?

We offer...

- a warm welcome into the village communities;
- prayer support, co-operation and encouragement;
- an experienced ministry team comprising Associate Vicar, Associate Priest and five Readers;
- committed lay involvement in all aspects of church life.
